“Tekstilna djeca”, potresna izložba koja šalje snažnu poruku

Autorica Ivana Mršela za svoje je skulpture, koje simboliziraju djecu koja danonoćno rade u modnoj industriji, koristila restove tkanina.

MURAI 1000000

Ivana Mršela, umjetnica i docentica na Tekstilno-tehnološkom fakultetu Sveučilišta u Zagrebu, na izložbi u Kreativno-edukativnom centru – Murai u Pleškovcu, predstavila je potresnu izložbu pod nazivom “Tekstilna djeca”. Ova postavka, koja nikoga neće ostaviti ravnodušnim, predstavlja skulpture djece načinjene od tekstilnog otpada, te vrlo simbolično “progovara” o bolnoj temi eksploatacije dječje radne snage u tekstilnoj industriji.

PLEŠKOVEC Kulturno osvježenje uz rekonstruirani barok Duo Musette i krznenu instalaciju Irene Boćkai

AUTOR: MURAI 25.06.2024. 7:47

Vruće ljeto najbolje je rashladiti uz kulturu pa su u Kreativno-edukativnom centru Murai u Pleškovcu u srpnju na rasporedu dva programa

U utorak, 2. srpnja u 19:00 koncert pod nazivom 'Suvremeni kontrapunkt' održat će Duo Musette u koji su se 2021. godine udružile Mia Grubišić i Dora Kuzmin Maković sa željom da se od zaborava izbave biseri barokne čelističke literature.

Mia i Dora tako su spojile svoju ljubav prema baroku i violončelu, te krenule u potragu za zvukom talijanskih, francuskih, nizozemskih, ali i hrvatskih majstora baroka.

- Legit agency and trusted agency so that it cant harm with the other foreign people (no too much placement pay..)
- Make the process of getting permanent visa easier.
- Expats from the Middle East and other regions often arrive in Croatia with significant experience and established careers, yet they find themselves starting from scratch here. This can be a challenging adjustment and a source of frustration for many. For instance, some individuals, including myself, have left behind higher salaries and better benefits to take a chance on a new career in Croatia.
- I recently experienced this firsthand with a recruiter from xyz, who was less than accommodating when I reached out for assistance. By enhancing the support and professionalism offered during the recruitment process, particularly for foreign workers, companies could significantly improve the integration experience and attract more skilled professionals to Croatia.
- Pls do learn even a little bit English word so we can communicate easy
- I can Say , It should have activities or Sports in Foreign Worker To have Team and motivation
- Every company should gave training Croatian language even a 2 or 3 times a month for 6 consecutive months.
- Hope racism will not be an issue anywhere so everyone could work peacefully..
- I strongly suggest that Anti discrimination law in this country
- If they allow to work as part time that will be better for foreigne workers
- Have seminar and education on how to treat foreigners in thier country. And must give lesson on GOOD MANNERS AND RIGHT CONDUCT. And proper etiquette.
- Make it easy process to get our love ones

- Respect each other
- Im good / I have no idea
- Permanent residency is not easy in croatia.the rules are very difficult. Without permanent visa it's impossible to bring my family.
- Pls check all your agencies here coz not all agency are good as same as my agency. Some employees are suffering by too strict and inconsiderate system.Not paying/giving the right amount of hours or payment. Pls understand your foreign employee.

- To have a Philippine embassy here in Croatia.
- I suggest increase salary..
- Please always have English translation on every instruction / signage / contract/ or whatever type of documents they ask to be signed So foreigners can understand it
- there was a bulgary happened in our accomodation last april of this year, they took everything money, jewelry and a passport of my roommate, but we didn't receive any update from the police here.
